

Heritage Garden and Walk of Honor

Many of you were able to see the beautiful garden and walkway at Scandinavian Day. Jackie Moline is the chair of this project and the labor has been all done by volunteers led by

Bryan Chelsey. Bryan and his fellow volunteers, Dave Nordin and John and Pam Hoppe have done a wonderful job on this beautiful enhancement to the Park.

A proper dedication is being planned for late spring or early summer.

Many people and/or organizations have already ordered a paver. There is still time for you to place your order so it can also be dedicated at the ceremony.

The following have already ordered their pavers.
